4.1.1. The Institution has adequate infrastructure and physical facilities for teaching-learning. Viz, classrooms, laboratories, Computing equipment etc.

Nalanda Law College has adequate infrastructure and physical facilities for enhancement of teaching – learning process.

The management believes that good infrastructure means that students have access to the best possible resources and amenities, which not only help them feel safe, secure, and valued but in turn reduce their stress levels and help them to improve their academic performance and enhance overall learning outcomes.

College has infrastructure and physical facilities which are as per dimensions, suggestions of University of Mumbai as well as Bar Council of India.

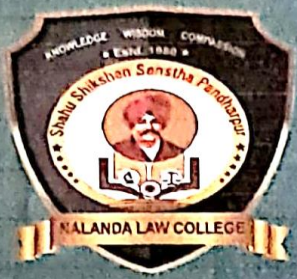

The college premise is well planned creating a pleasant and engaging environment which is important for fostering students' learning and development. The aesthetics of the college environment motivate students, in a sense of belonging, and promote emotional and mental well-being.

The Campus is filled with greenery, well planned roads and ventilated due to architectural designed building. It is surrounded by Fence wall protected by all sides. For complete security there is only one entrance gate which is guarded by the security guard to restrict the entrants and CCTVs are at frequent intervals for safety of staff and students.

Moving towards innovative modes of teaching, in Nalanda Law College each classroom has white smart board with marker pens which replaces to the Marker and Maker system of teaching learning. In a technological age of Education, Management is keen on computer based learning for the better growth and enhancement of skill in students. There are Eight (8) classrooms with ICT facilities and a computer laboratory.
