## THE INSTITUTIONAL STRATEGIC/ PERSPECTIVE PLAN IS EFFECTIVELY DEPLOYED STRATEGIC PLAN FOR ACADEMIC YEAR - 2022-2023

**Nalanda Law College, Borivali** dedicated to provide top-notch legal education and is among the top law schools in the nation in terms of academic standing. Since its founding, the college has worked to provide the nation with legal education that is of the highest caliber academically. We think that education must change and adapt to the dynamic nature of the world around us. A strategic perspective plan is a comprehensive document that outlines the vision, mission, objectives, and strategies for a Nalanda law college to achieve its long-term goals. To effectively deploy a strategic plan for a law college, several key steps can be taken, The IQAC and the college Academic Coordination Committee make sure that these goals are met by implementing appropriate measures that are evaluated based on quantifiable results.

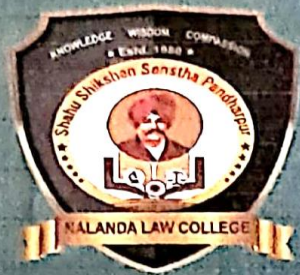

### **1. Meeting of IQAC for Strategic Planning for the Academic year 2022-2023**

A post-accreditation quality sustenance strategy for performance monitoring, assessment, accreditation, and quality upgradation of higher education institutions, the Internal Quality Assurance Cell (IQAC) was established. Every higher education institution that has been accredited by the National Assessment and Accreditation Council (NAAC) is required

*B. K. D.*  
I/QC PRINCIPAL  
Nalanda Law College  
Borivali (West),  
Mumbai - 400 091

to set up an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance strategy. Ensuring the maintenance and improvement of quality is IQAC's main duty. It guarantees the efficacy and efficiency of the steps taken and techniques employed to deliver high-quality instruction and assesses the extent to which each task is completed. Since maintaining and improving quality is an ongoing activity, the IQAC will integrate into the institution's system and strive to achieve these objectives.

## **2. Planning for organizing events i.e moot courts & guest lectures for the Academic year 2022-2023**

In our legal platform of advocacy, moral and ethical principles must be integrated with education to make it sufficient. Thus, in order to achieve the stated goal of moral principles, the organization has planned a number of value-oriented programs. such as the observance of International Woman's Day, Constitutional Day, Environmental Day, and other holidays, in order to promote the elimination of gender inequality and ethical, moral, and national values with plans for implementation in our socioeconomic field of study. The institution has hosted several Legal Aid Camps and other events in recognition of academic success. e.g., seminars on hot-button socio-legal issues, online webinars, guest lectures, and moot court competitions.

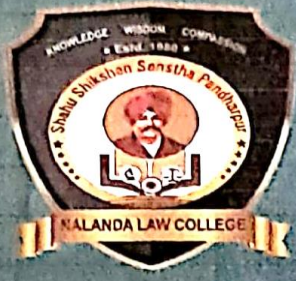

**DEPLOYMENT MEASURES** –Additionally, deployments strategies are carried out in line with our strategic aims. This has been accomplished by holding a variety of value-added courses, webinars, and seminars on current legal topics, including World Environment Day, International Woman's Day, and advanced advocacy skills training on current legal topics. Prominent advocates and research scholars have also given guest lectures on lawyer drafting skills.
